

# Tara Laser II

by Tara Manufacturing Inc.

**\$50** *Rebate*  
on your first 40 orders

The Tara Laser II will pay for itself when you use it to measure pools. Each order you place using the Tara Laser II will earn you a \$50 rebate, for your first 40 orders. After that, you will continue to earn a \$25 rebate on orders placed using the Tara Laser II. Expires 07/01/2020

***The fastest, most accurate way to measure pools is now even better.***

- Automated Pool Measuring
- Dual Laser Design
- Capture up to 2,000 Points
- One Person Operation
- 2 Scan Modes
- Hi-Res Scans in 7 minutes
- Quick Scans in 3 min. 20 sec.

Act now, supplies are limited.

**Rebate Terms and Conditions**

Only the first 40 orders placed using the Tara Laser II and between July 1, 2019 - July 1, 2020 are eligible for \$50 rebate. After 40 orders have been placed, additional orders placed using the Tara Laser II are eligible for a \$25 rebate until July 1, 2020. Orders placed using the original Tara Laser are eligible for a \$25 rebate effective 07/01/2019 - 07/01/2020. These rebate offers are only available for Tara dealers and do not apply to distributors. All rebate offers are subject to change without notice.
